The faculty should be presented with the results.
- x The Faculty Handbook Subcommittee is updating the Faculty Handbook

x The ad Hoc Committee Selection Committee has filled all the open seats on requested committees.

x Unfinished business

o The Faculty Workload Ad Hoc Committee members discussed their recent meeting.

The committee is working from a report created in 2009. Many of the items were unfinished in this report. The charge of the current committee is to rewrite the Faculty Handbook policy on Faculty Workload to make it more accurate and effective.

President Anderson discussed the state of Science labs citing Physics labs as an example. Some Physics labs run 3 hours long. The set up per lab takes 3 faculty members 90 minutes. Then there is grading that takes place afterward. The students receive 1 credit hour. Currently, the faculty member receives 3 credit hours. Suggestions were made to give the faculty member 1.5 credit hours. This ZRXOG HIIHFWLYHO\ LQFUHDVH WKDW effective\ PHF decrease the quality of the labs.

Senator Vangelisti is collecting data in VAPA. For accreditation Music faculty members are supposed to receive 2/3 hour credit per lesson. Suggestions were made to give 1/3 hours credit per lesson. Also in Studio Art classes involve 1 hour of lecture and 3 hours in the studio for 3 credits for the faculty member.

A motion was made to consider taking action (such as a Town Hall Meeting) in our own favor (Giles/Frye). This passed.

A motion was made to make a friendly amendment to advocate for Higher Ed in Louisiana as in all the institutions not just ULM (Hill/Dagley). This passed.

Louisiana has cut Higher Education by 17% in the last year while almost every other state has increased their funding. The ULS Board has lobbied the legislature on Higher
